ADVISORY NOTICE

The Kahnawake Gaming Commission advises that it has suspended the Client Provider Authorization ("CPA") held by Maricass International Holdings Inc. ("Maricass"). The suspension is effective immediately and affects the following sites (sometimes known as the "Grand Prive group"):

www.bellavegas.com
www.bigdollar.com
www.casinograndbay.com
www.fortunejunction.com
www.grandbaycasino.com
www.jackpotwheel.com
www.jupiterclub.com
www.kasinograndbay.com
www.lakepalace.com
www.roadhousesreels.com

The Commission has taken this action due to Maricass' failure to file a Material Change Report, advising the Commission that it had recently changed software suppliers. While its CPA is under suspension, Maricass is not authorized to operate any of the aforementioned sites (or any other sites under its control) from Kahnawake and the Commission is not responsible for these sites should they continue to operate from another jurisdiction. In the event Maricass does not take immediate steps to remedy its failure to file a Material Change Report and obtain the Commission's approval for its new software, its CPA will be revoked.
